

A Message from Carolanne Mahan

President's Notes

Well things are a bit greener and warmer this trip to New Hampshire. Chuck and I are enjoying the outdoors and our boat. So far, a black bear has crossed the road in front of our car and two pairs of Canada geese and their combined brood of 9 babies is checking out our water front. Hopefully they will find more suitable terrain than ours!

Just a reminder that our next meeting will be on Saturday (**NOT SUNDAY!**), June 9th at 10:00 am (**not 2:00 pm**) at the Route 66 Museum. Bring your lunch and check out the cars. Our meeting at (2:00 pm) will be very brief with no scheduled program. AACA members or anyone that show a car will be able to visit the museum free of charge. Hope to see you all there.

Our trip to Pawhuska in May went very well. We got to see several reddish colored calves among the bison herd, which was close to the Southern gate. David Turner gave us a very informative talk about the Tall Grass Prairie and its operation. Almost everyone's cars performed well. However, our Model A started sputtering when we were about 3 miles from home. Thank goodness we made it home without a tow. We later discovered that we had water in our gas tank. Must have been the fill-up we got in Pawhuska! Chuck got some hints on how to determine what was wrong and how to fix it from Joanna Cooper's cousin, Marvin Mellage, of the Model A club. Nice to have that kind of help.

The Ladies Only Wednesday Lunch (LOWL) on the 2nd Wednesday of the month, continues to be at 11:30 am at the "Egg It On" Restaurant at 1131 South Aspen Ave. in Broken Arrow (81st and 145th East Ave.

The men's lunch meets at 11:30 am at a different place each week, so check the web site or call Chuck for the location (918-361-9081).

Do continue to check the club's web site (www.tulsa.aaca.com) for updates on what's going on in our club and the AACA in the USA.

Remember to bring some dollar bills for the 50-50 raffle at the monthly meeting and a joke or two for our enjoyment.

Enjoy your cars this Summer!!

The AACA Tulsa Chapter General Meeting Minutes May 2018

The May 6, 2018 AACA meeting was brought to order with President Carolanne Mahan leading us in the Pledge of Allegiance to the Flag.

The club Secretary read the minutes from the April meeting, and then reported on the Christmas Party set for Sunday, December 9th at 1:30 PM. It will take place at Jerry Shrader's facility, 43rd & Memorial, and will be catered by Orr (www.cateringbyorr.com). The dinner will include pork loin, roasted red potatoes, marinated carrots, salad with strawberries and choice of assorted mini desserts. Please put the date on your calendar.

The Treasurer reported on all the deposits and expenditures for our checking account since the last report as well as the current balance. \$75 was donated in memory of Marylyne Baumann to the C.A.S.T. for Kids Foundation (www.castforkids.org) which provides special needs children with opportunities for outdoor recreation.

New members Mary Beth and Todd Coady were welcomed to our club.

The April 21st Heart of 66 Museum Poker Run was won by Joanna Cooper's grandson, and she, herself, won 2nd place. Congratulations to both.

The Oldies But Goodies Car Show will be held in Bartlesville on May 12th. Participants are to meet at David Turner's house at 9:00 AM and go together as a group and park together as well.

May 19th is the Mystery Garage Tour. Meet in the McDonald's parking lot in Mannford by 10:00 AM. Two garages will be visited, and hot dogs will be served at the second stop.

Daniel King has new 2018 membership directories printed for those who want them.

A game was played to see who could guess the average age of the club members in attendance. The answer was 74 years old and was correctly guessed by new member Mary Beth Coady.

Randy Beeson gave an interesting talk on the Volkswagen. Thanks, Randy.

Good cookies and conversation were had by all.

Respectfully Submitted,
Mary Jean Schaeffer
AACA Tulsa Region Secretary

Marylyn A. Baumann

May 3, 1936 – April 18, 2018

Services for Marylyn were held at 2 PM May 3rd, 2018 at University United Methodist Church, 2915 E. 5th Street, Tulsa, OK on the University of Tulsa campus. Her family has requested that donations be made to the C.A.S.T. for Kids Foundation, 297 SW 41st Street, Renton, WA 98057 (<https://impact.castforkids.org/marylynbaumann>) . The C.A.S.T. for Kids Foundation is a public charity that joins volunteers who love to fish with children who have special needs and disadvantages for a day of fun in the outdoors. The AACA Tulsa Region has donated \$75 in Marylyn's name. She will be greatly missed by all of us in the Tulsa Region.

Antiques on Parade to Dewey, OK - 23 June 2018

We are going to try again on the 23rd of June to do the tour to Dewey, OK to the Tom Mix Museum and Dewey Hotel and will do all the same things we had planned for April 7. Breakfast at Owasso IHOP (N. 121st E Ave. and Garnett), for those who wish to partake, will start the day, with the idea of being ready to depart the Hobby Lobby parking lot across the street north by 9AM sharp. This may mean arriving to eat before 8AM. We will drive back roads to Dewey at a maximum speed of 45 and plan to arrive around 10:15 AM. Everyone will be free to tour the museums as they wish for two hours. We will park at the Tom Mix Museum with the idea that most start there for tours or with the restored Dewey Hotel across the street and open for Docent led tours. For those who want to do so, the two blocks to the east are full of antique stores. We will depart the Museum promptly at 12:30 and drive to Dink's Pit Bar-B-Que for lunch. Do not be late as we will leave you behind! I will have a table reserved for us in the back room at Dink's. Therefore, let me know as soon as possible how many lunch reservations you need for your carload. Please also let me know what you will be driving. We will caravan back to IHOP in Owasso via a different route and will again hold our speed to 45. I expect to arrive somewhere around 3PM at IHOP.

I hope this change of date will allow you to participate. We had fifteen cars signed up to participate in April, but that was then. We will have a sign-up sheet at the Car Show on June 9th as well. Do not worry, if you somehow sign up twice, I will figure it out. Let me know as soon as you can so I can get the reservations finalized.

I look forward to a great day of touring on 23 June!

Our next tour will be to Rogers County on 8 September!

AACA Tulsa Region Antiques on Parade for 2018

Quarterly tours for our antique automobiles

Submitted by David Turner

Members are encouraged to drive their antique automobiles on these tours so that we can show them off to the public. We hope that each participating antique automobile will be equipped with magnetic door signs which will identify our club and give some organization to our tour. (See the article elsewhere in this newsletter on how to procure them for \$65.00 a pair). Members who don't currently have an operating antique automobile to drive are encouraged to hitch a ride with a member who does. We will not prohibit the use of modern cars but are trying to discourage their use. Participating modern cars will not display magnetic door signs and will drive at the rear of the tour. Each of these tours are proposed as caravans (follow-the-leader). All tours will occur on Saturdays. In case of rain or other bad weather – stay home – tour cancelled!

JUNE 23rd

Tour to Dewey, OK (avoiding US-75 both ways – top speed 45 mph)

- Meet for breakfast at IHOP in Owasso at 8:00 AM
- Tour to Dewey, OK
- Tour the Tom Mix Museum and/or
- Tour the restored Dewey Hotel built by Jake Bartles for whom Bartlesville is named or shop the antique shops on Don Tyler Ave.
- Lunch at Dink's Bartlesville
- Tour back to Owasso along a different route
- Disband at IHOP

SEPTEMBER 8TH

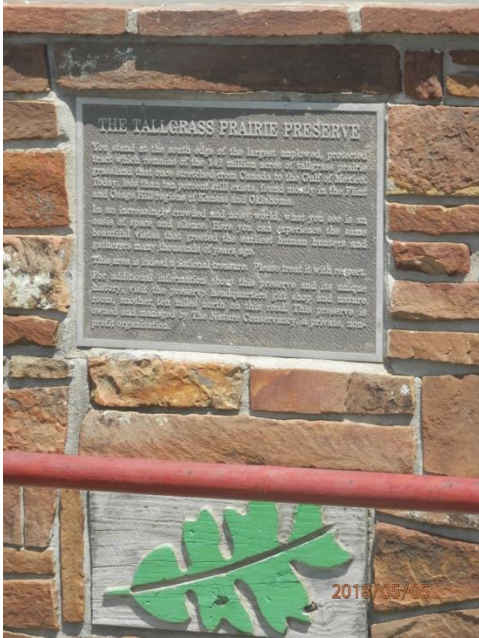

Tour Rogers County roads to Oologah, OK – top speed TBD

- Meet for breakfast at IHOP in Owasso
- Tour to Oologah, OK on back roads
- Tour the Will Rogers childhood home
- Tour to Foyil – Bunion Derby monuments and Totem Pole Museum
- Lunch possibly in Pryor Creek – site to be determined
- Tour back to Owasso on back roads
- Disband at IHOP

Antiques on Parade to Pawhuska May 5th, 2018

On May 5th club members assembled in the parking lot across from IHOP in Owasso and drove up to Bartlesville to visit the Tallgrass Prairie Reserve. It was a seven-mile drive directly north from Pawhuska to the south edge of the Joseph H. Williams Tallgrass Prairie Preserve of the Nature Conservancy. The group assembled in the parking area near the Reserve monument. Before the pavement ran out we were treated to glimpses of the buffalo who are lucky enough to be living in what is close to prehistoric conditions. Jenny and I are convinced we saw some baby calves (see above photo of mama and what looks like her baby).

After arriving at the monument, we were treated to a wonderful talk by David Turner. David and Betty have been active Docents with the Preserve for 24 years. David highlighted the fact that this area is indeed a national treasure. He said that with towns and residences so far away that here you can experience the same beautiful vistas that greeted the earliest human hunters and gatherers many thousands of years ago, and that it is truly an oasis of space and silence. At the monument we were standing at the south edge of the largest unplowed, protected tract of land remaining of the 142 million acres of tallgrass prairie grassland that once stretched from Canada to the Gulf of Mexico. Today, less than ten percent still exists, found mostly in the Flint and Osage Hill regions of Kansas and Oklahoma.

Twenty-one club members, family, and friends were in attendance: Mary Jean Schaeffer; Dan & Jenny King; David & Betty Turner; Clyde & Debbie Harding; Melvin & Celinda Burton; Joanna Cooper & daughter Debbie; Jim Jones; Jim Niessen; Chuck & Carolanne Mahan; Bob & Vada Strattan; Walter & Marjorie Knickerbocker; Joe Smith; Bill Jackman.

We returned to Pawhuska for shopping and sight-seeing and ate lunch at Buffalo Joes. After a wonderful meal, David led the tour back to Owasso, and some of us headed directly home. All agreed that a grand time was had by all, with many thanks to David and Betty for doing all the planning and making the arrangements.

MYSTERY GARAGE TOUR

May 19th

The Vintage Chevrolet Club of America's Heart of Route 66 Region invited Tulsa Region AACA members to join them on a MYSTERY garage tour on May 19th. The group met at 10:00 AM in the parking lot between Phelps Market and McDonald's in Mannford, Oklahoma.

The group then drove about an 8-3/4-mile drive to the first garage to see Kenny Aiken's wonderful collection of Chevrolets. We then drove about 5-1/2-miles to the second garage and enjoyed Joe Smith's cars and hospitality. Joyce Smith, with help from a few of the ladies, provided the group with hot dogs and beverages.

Oldies & Goodies Car Show

May 12th Bartlesville, OK

Below are two photos from the May 12th Oldies & Goodies Car Show in Bartlesville that had four current AACA Tulsa Region club members and one former club member participating with five cars. Attending were David Turner ('36 Plymouth & '68 Chevelle), Steve Schnitzer ('28 Packard), Ken & Marsha Aikens ('56 Chevy convertible) and Bob Strattan ('73 Jensen Healey).

According to the participants, it was a great Show with about 199 fine cars. Ken Aikens earned a \$100 award for being in top 20%, which was quite an achievement considering the stiff competition.

One Hundred Years Ago Today

by Randy Beeson

In an aerial counterpoint to the Battle of Belleau Wood, Canadian air ace Billy Bishop shot down six German aircraft, including German ace Paul Bilik, over a four-day period, beginning June 1st. The Battle of Belleau Wood began on June 1st and would last until the 26th. The U.S. 2nd Division, including two brigades of Marines, in concert with French forces stopped the German advance and inflicted heavy casualties on the Kaiser's forces, despite their own heavy casualties. The Marines assaulted six times before clearing German forces from the Wood. U.S. casualties were 9,777 killed and wounded. By the time the battle was over, the Marines had earned the sobriquet 'Teufelhunden' or Devil Dogs.

In other news, one inch of snow fell in northern Pennsylvania on June 15th. Sixty-eight people lost their lives in Ivanhoe, IL on the 22nd when a circus train was rammed by a troop train. On June 28th, the first

interisland flight among the Hawaiian Islands occurred.

A provisional government opposed to the Bolsheviks was established at Vladivostok on the Russian Pacific Coast on the 29th. This would inaugurate the Russian Civil War with both sides making use of armored trains on the Trans-Siberian Railway. The following day, U.S. socialist and pacifist, Eugene Debs, was arrested on charges of denouncing the government.

Oklahoma actor Ben Johnson was born in Foraker on June 22nd.

The June 9th automobile section of the Tulsa World announced the enlistment of Charles Lukins as a buck private in the U.S. Army. He assured his customers that he was leaving his Cadillac dealership, the Charles Lukins Auto Company in Tulsa, in the hands of capable sales, management and service staff until his return from the service. The same edition carried advertisements for the Cole Aero Eight (Tulsa Motor Car Company) and the Tulsa Four (Tulsa Auto Sales Company located at 214-16 East Second Street), 'the car backed by Tulsa Money'. A restored example of the Tulsa Four today sits in the lobby of Tulsa International Airport. The Tulsa Four was advertised for \$1,085, or \$17,642 in modern currency.

One Hundred Years Ago Today (cont'd)

The Spalding-Swinney Company, located at 109-115 South Denver Avenue was advertising REO heavy duty trucks, while the Ratcliff-Sanders Company was advertising Peerless models priced from \$2,550 to \$3,600. Osage Motors Corporation at Twelfth and Boston was advertising Dodge Brothers automobiles priced from \$985 to \$1,425 and Tulsa

Automobile Corporation was advertising Selden Trucks with one to five-ton ratings. If none of the above satisfied, the prospective buyer could purchase a Light Four Model 90 Overland from Overland Tulsa Company, located at First and Denver for \$850 fob Toledo, OH. The W.C. Norris Motor Company advertisement indicated that this dealer carried Marmons, Oldsmobiles, Gary Trucks and Diamond T trucks. The dealership boasted of the seven new vehicles that had just been purchased by the Western Motor Company of Miami, OK.

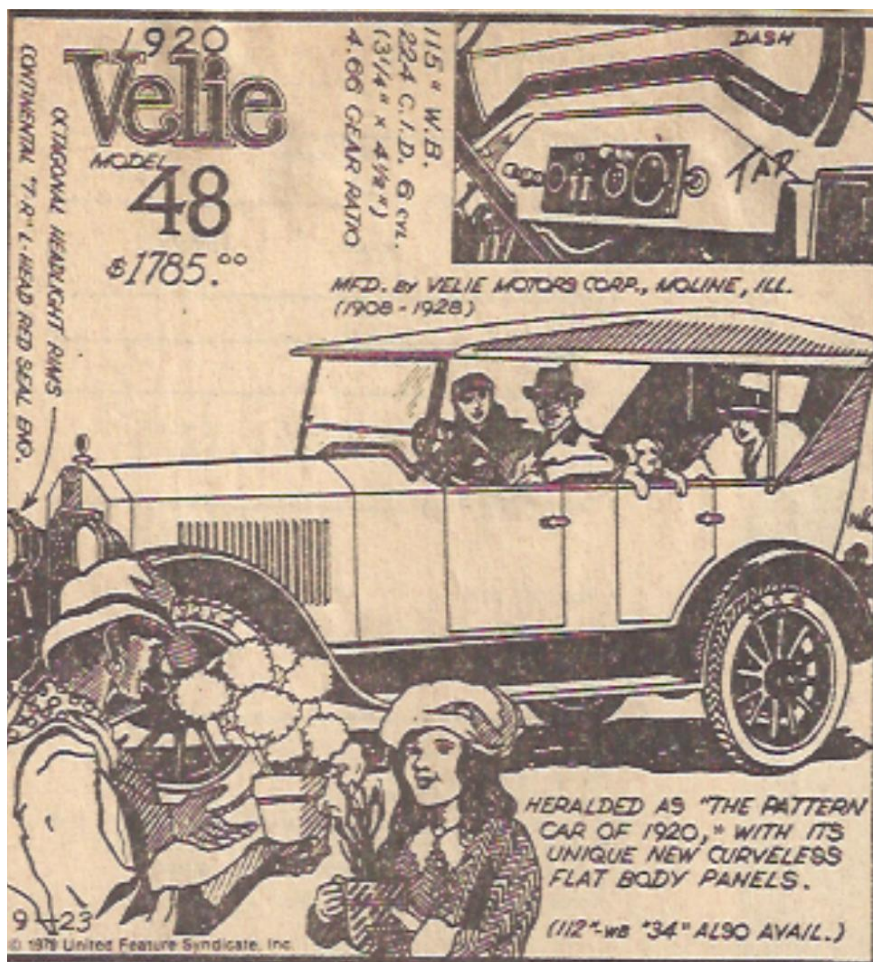

Gasoline Alley

By Dan King, Editor

1920 Velie 48 Called "Out of the Ordinary"

by Tad Burness

9/23/79 by Tad Burness, Copyright 1979 United Feature Syndicate

During the late summer of 1919, Velie introduced its new 1920 Model 48, designed to create a new styling sensation.

The touring car (illustrated above) and other 48s had a straight-line, high cowl body with squared-off corners replacing the usual compound curves. Velie called this "The first authoritative example of the new

style,” with “a subtle combination of mirror-like planes that seem to flow into each other.”

In a day when so many touring cars looked virtually alike, the new Velie was a bold adventure in styling: a deliberate look of boxiness when curves were more in fashion. Even the shape of the windshield was unique, following the angular cowl.

In addition to five- and seven-passenger touring cars and other body types, there was also a four-passenger “Tourster” with jauntily sloping rear deck and a spare tire mounted at an angle parallel to it.

The Model 48 (available in 1920 and 1921) was capable of speeds up to 60. The improved six-cylinder engine of 1920 had larger valves, and an internally heated vaporizer capable of burning low-grade fuel and giving greater gas mileage.

As 1920 began, Velie also introduced a lower-priced, smaller 34, that was more conventional in appearance. But it was this distinctive “48” that got most of the stares along the highway. It was almost an expression of “art nouveau” on wheels.

Editor's Note: Charles Schaeffer's scrapbook of almost 200 articles clipped from the Tulsa World were the creation of Tad Burness, whose biography can easily be found on the internet. The scrapbook was given to me by Mary Jean Schaeffer, who currently serves as a Board Member and club Secretary.

Share Your Story!

Our club newsletter, **Runningboard Ramblings**, is only as good as you make it. We want to hear from you! We are always looking to feature articles from Tulsa Region members about your personal accounts of tours and shows you have attended, restoration projects, unique vehicle stories and history, and any other stories you think other AACA members would enjoy hearing about. And, of course, include plenty of photos to make your story come alive! Please send in your photos and stories to Dan King, dcking1948@yahoo.com.

Later alligator ...

Chuck Crane
2018 AACA President

Regions Helping Regions

As time moves on, many of our Regions and Chapters find their numbers shrinking and formerly active members aging, so they say no when asked to host a national event. The desire might still be there, and they know a big event will help revitalize them, but they simply can't pull it off. Consider partnering with another Region or another car group.

The 2017 Winter Meet in Ocala, Florida was very successful with 5 AACA Regions working together and they plan to do that again. The 2016 Meet in Galveston was put on by Gulf Coast Region from Houston with assistance from the Deep South Region in Mobile, Alabama.

The March 2018 Meet in Mobile, Alabama will also be staffed with the assistance of members from the Gulf Coast region. When the 2015 Glidden Tour was held in Oklahoma City, the Registration and Hospitality was

staffed by the Tulsa Region, opening car games were hosted by the Sooner Model A Club, one day was handled by the Vintage Chevrolet Club, one day was handled by the Early Ford V8 club, with assistance every day from the Horseless Carriage Club. We all had a great time.

Reach out to your Division VP of Regions Development and Support and the VP of National Activities for ideas and assistance. Their contact info can be found on the national website aaca.org. As a lawyer's billboard proclaims, "One call does it all; One Click That's It". We're a big club nationally and we'd love to come to your area!

Car Show Windshield Cards

By David Turner

As announced at the meeting a few months ago, I am willing to make laminated windshield cards for any member who wishes one for their car(s). All I ask is \$3.00 to cover the cost of materials and laminating. The lamination is 10 mils thick and quite rigid. As a result, they should be less likely to blow off the windshield in a heavy wind. They will all be 8.5" x 11" on white card stock. If you wish to order one, contact me or any of the club board members. An example shown below.

David Turner can be contacted by e-mail at drenrut@cableone.net or phone 918-527-9560.

AACA Tulsa Region Magnetic Signs

You, too, can look as cool as Phil by ordering your very own AACA Tulsa Region magnetic signs. The folks who see your car on display or on parade will know that you are a member of

the best car club of all. The cost is \$65.00 plus \$5.53 equals \$70.53. The supplier is A&B Identity and to keep it simple they would prefer that all the orders come through Dan King, so give him your order and make your reimbursement check payable to Dan. Lead time is about two weeks. Let's put our best foot forward for all our public events.

AACA Runningboard Ramblings

is published by the Tulsa Region of the Antique Automobile Club of America (AACA). The Tulsa Region is a non-profit organization chartered by AACA, Hershey, Pennsylvania. Tulsa Region dues are \$20 due by March 1st annually. To comply with legal and insurance requirements, membership in National AACA is mandatory. Opinions expressed in this newsletter may not reflect those of AACA or the Tulsa Region. Runningboard Ramblings shall receive proper credit for material printed in other publications.

IMPORTANT DEADLINE INFORMATION: Deadline for submissions for the following month's publication is the 15th of the previous month.
